

God is the Potter

WE ARE THE CLAY

We Pray...

May God work in us & mold us into the likeness of His son, our Messiah. We pray Lord, for your help to train our children to see God in the easy & hard times through His word and by His Spirit. AMEN

Stay on God's TRACK!

*"Train up a child in the way he should go,
And when he is old he will not depart from it."* Proverbs 22:6

God has created each child with unique personalities, talents and giftings.

It's our job as parents and guardians to discover and encourage who they are created to be. God has a plan. As grown ups, we have a responsibility to seek God on behalf of our children and train them for what He has prepared for them, and they will not depart from it!

**Have Your Own Way in Me Lord!
You are the Potter, I am the Clay. Amen**

Have fun with your kids molding & sculpting little people out of Play Doh or Modeling Clay. **Discuss** with them how God is still molding and shaping us on the inside. Talk about Philippians 1:6 "He who has begun a good work in you will complete it until the day of Yeshua Messiah."
